National Awards for Excellence in Lighting Cancelled

It is with a deep sense of disappointment that the Board of Lighting Council Australia (LCA) has resolved to adjourn the National Awards for Excellence in Lighting, scheduled to be held in Sydney on June 16 2020.

In accordance with the new rules governing large events from the Australian and State Governments, it will not be possible to hold an event of this size as we deal with the challenge of Covid 19. It is imperative that we give the highest priority to the health and well-being of our members, staff and industry colleagues.

LCA realise this decision will disappoint many and we shall be refunding all sponsorship funds and revenue received from ticket sales shortly.

For Award nominees, details will be retained and we'll be inviting all nominees to remain as a nominee for the adjourned event that we hope will happen in 2021.

ENDS.
