

5 August 2021

AGM and National Awards for Excellence in Lighting to be aligned on November 23 in Sydney

In view of the current lockdown and ongoing uncertainty associated with the pandemic, we have postponed the National Awards for Excellence from 31 August 2021 to align with the day of our Annual General Meeting in Sydney on Tuesday 23 November 2021.

Let us hope the Awards can finally proceed on the proposed date, failing which we will have no choice but to cancel them for this year (and refund payments).

The programme remains as advertised fine food, wine, and entertainment at the Four Seasons 5-star Hotel in George Street Sydney.

All tickets to the event are sold, however we have set up a waiting list for anyone still hoping to attend and if opportunities arise, we'll aim to accommodate you.

The venue for the AGM will be advised shortly.

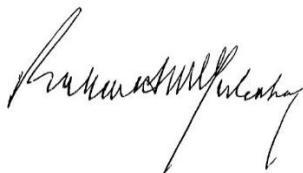

We have also managed to secure a highly competitive rate for accommodation at the Four Seasons and details of how to access that rate are below.

ACCOMMODATION

We are pleased to offer your guests a special rate for [Deluxe City Room](#) at \$240 per room per night, room only. This rate reflects single or double occupancy, includes 10% tax, is in Australian Dollars and is not exclusive of breakfast. Breakfast can be purchased additionally at \$50 per person. Rooms are fully refundable with a 24-hour cancellation notice.

For bookings please email reservations at Res Sydney Res.Sydney@fourseasons.com or call reservations for more information on (02) 9250 3100. Please quote the event name (National Awards for Excellence in Lighting) to obtain a special price.

Yours sincerely,

Richard J Mulcahy
Chief Executive Officer
Lighting Council Australia
